Brief Synopsis

Current Situation as of 0900 hrs

There are less than 10 people on Parliament Hill and a further 100-150 in the area of Wellington, Elgin and south. This includes an ongoing presence of 30-50 people near the line at the Chateau Laurier. Our geographical boundaries have changed with the protestors in the area of Wellington from Bay to just west of Mackenzie. SJAM, Kent and Metcalfe are still blocked with vehicles. A check of Wellington St between Bay and Elgin in the early hours reports a total of 55 vehicles. The other streets were not counted but there has been voluntary departure of vehicles.

There were staffing challenges encountered during the overnight shift. Additional taskings were added, requiring the redeployment of officers to hold ground that was taken.

Operations are scheduled to restart this morning. The stats from the POU operation were not available to NCRCC for reporting purposes.
